DFI NATIONAL ANTHEM POLICY

Developmental Football International shares the exact same national anthem policy as U.S. Soccer and the United States Soccer Federation. All persons on the sidelines and bench area representing DFI, which includes all personnel, players, staff, coaches and any and all administration and guests, must respectfully stand during the playing of any national anthem, at any event in which DFI is represented. ANYONE WHO CHOOSES NOT TO HONOR OUR REQUEST AND THIS POLICY will be granted their IMMEDIATE RELEASE from the DFI league to elsewhere pursue their career.
