## **DFI PRE-GAME / GAME / POST-GAME FILMING AND INTERVIEWS**

To maintain consistent, hi-resolution, professionally shot and produced film, in addition to assuring the consistent availability of game film, DFI will have exclusive control over shooting all pre-game/game/post-game and football interviews for all teams.

DFI will assign two videographers to attend every DFI played game. There will be a \$200-fee for each game, split equally between both teams. Each team will provide a \$100-cash payment to the game-day head-videographer, who will in turn, provide a cash receipt for payment.

In the event DFI is unable to provide assigned videographers for whatever reason, it will be the responsibility of both team to work in conjunction or separately to secure DFI pre-game-/game/post-game and football interviews shot within the guidelines of the DFI Video Playbook.
